

12/14/05 ASM

Attendance: Christopher K., John P., Steven D, Eddie D, Eric D, Bernie D

Points of discussion:

- Focused on PLC minutes for December
- Klondike is cancelled with too few participants
- The spring troop Merit Badge Madness now be on March 17th. Steven D will do scoutcraft? Ellen will do Music, Ask Claire to do First Aid. Shotgun and Rifle will be offered.
- We are going to go to the Valley Forge Pilgrimage on 2/18, Mr Chris is AIC.
- The ski trip is coming up on January 6th through 8th. The adult in charge needs information including shoe size, height, etc.
- Reorganization of patrols seen to have a lack of leadership in the new guys. Steven and Eddie strongly encouraged merging new guys with older patrols. Monkeys and Border Patrol combine, and Ninja Llamas and Salamanders combine. Jason L. to move to Phoenix with his brother.
- Eric D instated as JASM. Will work with ASMs as scout representative, and with PLC as adult representative. We need to define where he is eating in the duty roster.
- December Roundtable is now being set up as a recruiting event. Look to bring laptop with slide shows for future RTs.
- Need a recruiting event in the fall
- Boys continue to be interested in an RC derby for recruiting instead of ropemaking.
