## **Star, Life, Eagle**

A new program called Star, Life, Eagle will help people at the rank of star or life make Eagle. They will work on Eagle Merit Badge's. They would like to re-involve some of the eagle scouts to help and act as coaches. There will be discussions about the service projects. They will be doing this from **6:30-7:00** every troop meeting. We are not sure when it will start.

## **Summer Camp 2004**

This year we are going to **Henson**. Apparently, we need to go to Henson before we go to Rodney, so we will probably be going to Rodney next year.

## **New Point System for determining the Honor Patrol:**

**50** points for an activity, a form for the event must be turned in.

**25** points for a patrol meeting

Attendance points:

1 for a regular scout

3 for a Gnu Guy

5 points for a flag

Inspections points:

1 point for 80

2 points for a perfect

PLC points:

Rep gets 2 points.

If no rep at all PLC's during the quarter, that patrol is out of the running.

Rank advancement points:

**10** points for star through eagle

**5** points for scout to first class

MB's points:

2 points for eagle

1 point for a regular

We came up with some places where patrols may be able to do activities. They are Hawk Mountain, Blue Ridge, and Broad Creek.

These are the June PLC Minutes submitted by Liam, Substitute scribe.
